
MEGAPIX[®] IVA
GALAXY[™]
Intelligent Video Analytics IP cameras

Crystal-clear video in any lighting conditions.

Galaxy Vandal Ball Cameras

The bubble-free Galaxy IP cameras bring users the best of MEGApix® technology with a wide camera angle, no IR distortions caused by dirty domes, and complete camera control without disassembly. Preloaded with IVA™ and IVA+™ intelligent video analytics, the Galaxy vandal ball cameras empower users with a small and user-friendly solution.

Galaxy™ vandal ball cameras

The unique Galaxy housing offers 80° tilting, 300° rotation and 140° panning, with no need to disassemble the dome cover.

Galaxy™ Camera

Dome Camera

Bubble-free housing

The camera's bubble-free housing minimizes IR reflections caused by cobwebs, rain, dust, or sand.

External camera control

The camera's control panel, reset button, local video output and micro SD card slot are accessible from outside the camera's housing, making maintenance and configuration simple and hassle-free.

MEGApix® IVA™ analytics

MEGApix IVA cameras have a powerful engine to detect and classify people and vehicles in real-time. IVA+ license upgrade offers advanced video content analysis detection capabilities.

Star-Light Plus™ color in darkness technology

Star-Light Plus™ color in near-total darkness technology provides crisp, clear images in the absence of ambient light.

Monochrome images in near-total darkness

Color image details in near-total darkness.

Galaxy cameras are environmental-rated IP66 dust-tight and water-resistant.

Galaxy cameras are IK9-rated impact-resistant.

Digital noise in low light environments

Smart 3D DNR clarifies digital noise

Smart 3D DNR™ (digital noise reduction)

Use DW's exclusive noise reduction technology to produce clearer color and monochromatic video in low light without adding visual lag or ghost effects.

Galaxy Vandal Ball Cameras

H.265 codec support

High-Efficiency video codec standards deliver 25% to 50% better data compression while maintaining video quality.

Half the Space

Same display quality

ONVIF® Conformant

DW's ONVIF® conformant IP products allow you to bring our robust solutions to any surveillance system with other ONVIF® components, creating a truly unique solution, to match your specific needs.

NDAA Compliant

DW® IP cameras, analog cameras, NVRs, DVRs, network devices and management software sold and distributed worldwide are designed and developed in U.S.A. and Korea. Manufactured in Korea.

Most DW® products qualify for GSA Schedule Contracts and other government opportunities because they are NDAA compliant.
