Multiple DVR Connections (UP TO 256)	Dual Monitor (144x)	View Live and Recorded Video Simultaneously	Remote DVR Configuration	Screen Recording	Thumbnail Search	Easy Video Clip Back-up	Health Monitor Event Server Built-in

Summary

The C3™ client and event server* make up a remote management software suite for DW® VMAX® embedded recording solutions. It provides users a powerful and easy-to-use new way to monitor any VMAX Plus device from anywhere. Full-featured yet lightweight, the software delivers simultaneous live views and playback of recorded video. The C3 client and state-of-the-art event management software support hundreds of devices simultaneously. C3 CMS provides actionable information in real-time, helping users make more informative decisions as events happen.

Features

- Intuitive easy-to-use interface
- Control VMAX® A1™, A1 Plus™ and IP Plus™ recorders
- Up to 256 simultaneous sites connections
- Multi-camera viewing, up to 144 cameras (64 on Mac) per monitor
- Dual monitor, up to 288 views*
- Import sites from myDW™ cloud
- Fisheye image dewarping*
- Flex GRID user interface
- Seamless transition from live to playback
- Watch live and playback video on the same screen
- Synchronized or unsynchronized playback
- Custom camera ID
- User management
- Screen recording*
- Adaptive timeline
- Unbelievably fast search
- Preview and thumbnail search options
- Calendar and event search options
- Two-way audio
- Advanced PTZ
- Enhanced export with file password encryption
- Easy and secure video clip export and scheduled FTP backup
- Privacy mask settings on exported images
- Device health monitor via the event server software*
- CPU, memory and local time health monitoring in the C3 client
- Real-time devices and cameras status monitoring via Event Server
- Interactive dashboard and color-coded event notifications*
- Event log reports and search
- Share site's status report via e-mail
- Super lightweight
- Centralized management for easy monitoring
- Remote recorder configuration
- No annual maintenance fees, free upgrades and technical support
- Free download at www.digital-watchdog.com/C3

Specifications
