Star-Light Plus™ 5MP  
Universal HD over Coax® cameras

## DW® introduces new Star-Light Plus™ 5MP cameras.

The new cameras deliver HD color images in near darkness.

DW®, the industry leader in digital recorders, surveillance cameras and related management software, announces the release of our new Star-Light Plus™ 5MP Universal HD over Coax® 5MP cameras that deliver crystal-clear color images in near total darkness. The new line of cameras offers users with existing analog systems a simple upgrade to 4MP resolution at up to real-time 30fps and 5MP resolution at up to 20fps via HD-Analog, HD-CVI or HD-TVI signals. The cameras also support analog signal up to 960H. The new cameras are available in a variety of lens and housing choices.

5MP Star-Light Plus™ Universal HD over Coax® cameras offer image enhancement features such as Star-Light Plus™ super low light technology, true WDR and Smart DNR™ 3D digital noise reduction. The new cameras come in a variety of housing options, including new vandal ball cameras with true 90° angles and zero IR distortion. All DW® Universal HD over Coax® cameras are engineered to work with our new VMAX® A1 Plus™ Universal HD over Coax® DVRs to easily get new ROI from existing coaxial infrastructure.

### Features:

- Universal HD over Coax® technology with HD-Analog, HD-TVI, HD-CVI and all analog to 960H signal support
- Star-Light Plus™ super low-light technology
- 1/2.8" image sensor
- 5MP at 20fps, 4MP at real-time 30fps
- Built-in microphone\*
- True wide dynamic range (WDR)
- OSD control via coaxial (UTC)
- CleanView™ hydrophobic dome coating repels water, dust and grease\*
- 50'-150' Smart IR™ with intelligent camera sync\*
- Smart DNR™ 3D digital noise reduction
- True day/night mechanical IR cut filter

- De-Fog™ extreme weather image compensation
- Auto sensing 24VAC/12VDC with line lock\*
- Easy icon driven OSD menu with built-in joystick
- Programmable privacy zones
- Auto gain control (AGC)
- Backlight compensation (BLC)
- Auto white balance (AWB)
- Relay output\*
- UTP built-in\*
- IP66/67 certified weather and tamper resistant\*
- IK 10-rated impact-resistant \*
- 5 year warranty

\* on supported models
