Re: VMAX IP Plus™ Firmware Update

VMAX IP Plus™ Firmware v1.1.7.5 Update

Digital Watchdog® announces the release of new firmware for VMAX IP Plus™ NVRs. The firmware is available for download on our website and from our FTP server at the links below.

Release Notes for version v1.1.7.5:

• Sensitivity levels for the sensor alarm have been increased.

• Remote fast backup from the NVR's local network now supported.

• Fast backup software can be downloaded directly from the NVR's web browser.

• Added ability to upgrade the NVR's firmware directly from the web client.

• Added support for the new DW Witness Mobile™ Application*.

FTP DOWNLOAD:

VMAX IP Plus Model	Firmware URL
